Level:

Medium

Ingredients:

12 slices Nature's Own Honey Wheat Bread

1 envelope (1 ounce) dry onion soup mix

2/3 cup ketchup

2 pounds extra lean ground beef, divided

12 slices (1 ounce each) American cheese

Instructions:

Brown 1 pound beef in a 12-inch skillet over medium-high heat. Transfer to a bowl. Brown remaining 1 pound beef.

Combine all the beef, the ketchup and soup mix in the skillet. Cook over medium heat about 7 minutes. Remove from heat.

Position oven rack 6 inches from heat source. Preheat broiler.

Meanwhile, using a 3- to 4-inch star cookie cutter, cut one star from each cheese slice. Set aside.

Place bread slices on a large baking sheet (in two batches, if necessary). Lightly toast both sides of bread.

Top each toast slice with about 1/2 cup of the meat mixture, spreading mixture to edges of the toast. Top each ?burger? with a cheese star.

Broil just until cheese stars begin to melt, about 1 minute
